

# 7<sup>th</sup> International Baltic Symposium on Science and Technology Education (BalticSTE2027)

## „SCIENCE AND TECHNOLOGY EDUCATION: BUILDING SUSTAINABLE FUTURES“

14-17 June 2027, Šiauliai, Lithuania

### First Announcement & Call for Papers

---

#### Dear Colleagues,

On behalf of the organizing committee, we are delighted to welcome you to Šiauliai, Lithuania, for the VII<sup>th</sup> International Baltic Symposium on Science and Technology Education, BalticSTE 2027.

The Symposium will be held in Šiauliai (Lithuania) in June 2027 during days **14-17**.

We cordially encourage you to attend and contribute to one of the major events of 2027 in the field of science and technology education. We are confident that you will appreciate the scientific program and the city of Šiauliai. We look forward to seeing you in 2027 in Lithuania.

#### Symposium Organizer

Scientific Methodical Centre „Scientia Educologica“, Lithuania

<http://gu.puslapiai.lt>

<https://www.facebook.com/ScientiaEducologica>

#### Symposium Main Partners

Šiauliai Technology Training Center

<https://www.stmc.lt>

Scientia Socialis Ltd. Publishing House

<https://www.scientiasocialis.lt>

Ecological Education Center, Vilnius, Lithuania

<https://zpasaulis.lt>

#### Ways of Participation

- Oral Presentation
- Interactive Poster Presentation
- Workshop
- Listener

---

#### Symposium Aim

The symposium aims to provide an international, multidisciplinary platform for discussion and debate among science and technology education providers, policymakers, academics, and researchers on contemporary strategies and issues in science and technology education.

---

## Symposium Language

The official language of the symposium is **English**

## SYMPORIUM FULL PAPER

Delegates who wish to present their work at BalticSTE2027 are invited to submit a full paper for consideration by the Scientific Committee. The recommended **template** is available on the symposium website.

The proposal should be written in plain English and should be between 10 and 15 A4 pages in length. Text margins: top and bottom 20mm, left - 25mm, right - 20mm. The text must be elaborated in Word for Windows, using 12-point Times New Roman font, single-line spacing, and spacing before and after – 0 pt.

### Title of contribution

**author(s)** - name first, then the family name/surname;

**affiliation:** institution, city, country;

**ORCID** IDs of all authors

**The main text** that should contain:

1. Abstract (150-200 words, in 11 pt size) + keywords (3 - 5 keywords).
2. Introduction: Background, framework, and purpose/research questions, etc.
3. Research (Study) Methodology: General characteristics, sample/participants, instrument and procedures, data analysis, etc.
4. Research Results
5. Discussion
6. Conclusions and Implications
7. Acknowledgements (if any)
7. References (Cited references only APA 7<sup>th</sup> ed. Some examples can be found here:  
<https://sfcollege.libguides.com/apa7/articles#s-lg-box-22344882>

The use of footnotes in the text is not recommended. The work should be written in an impersonal style.

One presenting author may submit only one paper. The Paper should be prepared as attractively as possible, much like a manuscript for journal submission. All papers will undergo a double peer-review procedure.

**No paper will be published or presented as a poster without the payment of the registration fees**  
Please note that the Paper is not *required* in order to complete your *Symposium registration*. You can take part in the Symposium as a Listener/Presenter.

Accepted Papers will be published in the BalticSTE2027 Proceedings (with an ISBN number (print and online)) and will be included in **CEEOL, ERIC, Academic Resource Index, ProQuest, Internet Archive, Scribd**, etc.

**For any questions in regard to the submission process:** [balticste@gmail.com](mailto:balticste@gmail.com) or  
[scientia@scientiasocialis.lt](mailto:scientia@scientiasocialis.lt)

**Paper Focus** should fall within on one of the following Subject Strands:

Subject: Science Education	Subject: Technology Education
STEM; STEAM education	Computer education
Biology education; Health education	ICT education

Chemistry education	Robotics education, AI in education
Physics education	Online/distance education
Environmental and ecological education	Technological literacy

## ACTIVITY TIMELINES

Activities	Date – no later than
First announcement (call for papers)	30th September, 2026
Second announcement	30th March, 2027
Confirmation of reviewers	30th March, 2027
Submission of papers for review	15th April, 2027
All review feedback to authors	30th April, 2027
On-line registration closed	20th May, 2027
Submission of re-worked papers ( <b>the very last deadline to submit articles</b> )	20th May, 2027
Payment of registration fees by all participants (*See note below)	30th May, 2027
Provisional programme released to participants	25th May, 2027
Final programme released to participants and the public	05th June, 2027
